

# *BAY AREA LOW-CARBON CONCRETE PROJECT*

- Partnership of Marin County, StopWaste, Embodied Carbon Network, Ecological Building Network, and Arup.
- Working with a technical stakeholder group made up of representatives from academia, building industry, non-profits, and local government.
- Anticipated outcome is model specifications and code language for adoption with 2019 Title 24 Standards in the fall.
- Funded via the Bay Area Air Quality Management District's Climate Protection Grant Program.
